“COMPETITION IN AMATEUR RADIO”

Wednesday November 26 2014

Ragchew and Fleamarket: 19:30
Club meeting: 20:00

St. Ignatius of Loyola Parish Church

4455 West Broadway (corner of Terrebonne) in N.D.G. - Montreal

Gilles Renucci, VE2TZT will be talking about the various competitive aspects of Amateur Radio including an overview of awards including the various DXCC and WAZ awards and contests including Field Day as well as related topics which need to be considered when participating in a contest or trying to achieve an award.

A WORD NOT FROM THE PRESIDENT, BUT THE SECRETARY- TREASURER

Hello,

Well, here we are at the MarcOgram publishing deadline and I don't have Paul's message of inspiration and wisdom. I'm a forgiving type and I can well understand why Paul's words of wisdom haven't arrived.

At the October meeting those of you who were present will remember that Paul was absent owing to his hospitalization for colitis. Contrary to what I had reported at the meeting Paul's innards remain intact however he is under treatment to correct the situation and, hopefully, avoid surgery.

From my own experience I know what gastro-

intestinal problems do to one and recovery is not always a quick process. Stamina is always a problem which means that getting things done is a new adventure in perserverance and patience as frequent rests become the order of the day.

Paul is on the mend and I am optimistic that we will see him at the Christmas dinner although he may not be dancing a jig.

Since this is the last MarcOgram before the holidays, on behalf of the board of directors I wish you all a Merry Christmas, Happy Chanukah and the best of health, happiness and prosperity in 2015.

See you all at the meeting.

73 de Jim, VE2VE

FROM THE (TEMPORARY) EDITOR'S DESK

Thus far no one has come forward to take on the duties of editing the MarcOgram. If you enjoy writing or if you enjoy working with computers and want to have a go at the layout this is a good way to gain some experience.

Please let any of the directors know if you are interested in assisting with the MarcOgram.

I'll keep this message short but remind you that we have details of the Christmas dinner in this issue as well as information about the St. Patrick's Parade and our annual fleamarket.

This month's meeting topic promises to be an interesting presentation by a good speaker and I look forward to seeing you all there.

ST. PATRICK'S PARADE

March 22, 2015 will be the 192nd continuous St. Patrick's Parade in Montreal. Since 2014 Vernon Ikeda, VE2MBS/VE2QQ and I have operated the control station for the various radio channels used by parade marshals and security personnel. With Vern's untimely death I have been asked to find a person to replace Vern in the control room.

Jim Hay, VE2VE and Vernon Ikeda at net control for the 2007 St. Patrick's parade.

While I will be confirming their needs at a meeting of the United Irish Societies parade committee during December I expect that we will need three radio operators to assist with

position information during the parade as we have done for the past several years.

If you are interested in helping out with the 2015 parade please let me know. I expect to have more

INCOMING QSL CARD SERVICE

As has been mentioned in previous MarcOgrams we are resuming the club's service of having incoming QSL cards sent to the club for members to pick up at meetings. This is a service which we are offering to our members which both saves the individual members money as well as makes more efficient use of our collective resources.

If you would like to avail yourself of this service please send an e-mail to qsl@marc.ca and we will add you to the list of cards that the incoming bureau sends to the club and bring them to the monthly meetings.

CLASSIFIEDS

DEADLINE for classified ads is the second Wednesday before the monthly meeting.
