“MARIO BILODEAU, VE2EKL, PRESIDENT OF RAQI WILL SPEAK ON RAQI AND AMATEUR RADIO IN QUEBEC ”

Wednesday 26 January 2005

Ragchew and Fleamarket: 19:30

Club meeting: 20:00

St. Ignatius of Loyola Parish Church

4455 West Broadway (corner of Terrebonne) in N.D.G. - Montreal

(Please enter by the back door)

The speaker this month will be Mario Bilodeau, VE2EKL, president of RAQI who will bring us up to date on RAQI and amateur radio in Quebec. We hope to also have Mike Savoy, VE2MKE, who is in charge of the Reseau d'Urgence as well as Guy Lamoureux, VE2LGL, who is the General Manager. This will be a very worthwhile and informative

A WORD FROM THE PRESIDENT

Hello,

As I write this it seems that winter is here, but on alternate days. Hopefully more normal winter weather will settle in. In the mean time our courses have started and we look forward to a new group of amateurs by the time of the fleamarket in April.

This spring we will have to do more work at the

MAB. Earl Paris wishes to donate his HF beam to replace the one currently at the MAB which you will recall was repaired in the fall but which needs more work. As early as we can we will need volunteers to take Earl's antenna down as I understand the rotator mounting plate is loose. If you can help out in the spring please let me know.

The St. Patrick's Parade is coming again this year and our assistance is again being solicited. While I do not yet know the precise roles we will be asked to fulfil I should have news at the meeting. If you are

willing to assist on March 13 please let me know.

This month's meeting promises to be an interesting one. Mario Bilodeau, VE2EKL is the president of RAQI and will be able to tell us something of what is on the horizon for RAQI and amateur radio in Quebec. Subjects such as broadband over power lines, the Reseau d'Urgence and emergency measures are likely to be of interest. I understand that Mario plans to bring other RAQI officials with him which promise to make this evening particularly interesting and worthwhile.

FROM THE EDITOR'S DESK

Welcome back to everybody. I trust you all had an enjoyable holiday break. A big welcome to the basic course students who are have just begun their studies. We should all look forward to an interesting season coming up. The month's meeting should be an interesting meeting.

A big thanks John Grow, VE2EQL, and to all of you who attended the holiday dinner at the Buffet Vichy Restaurant in December. We all had an interesting evening.

There are several activities coming up during the year so make an effort to participate. Whether it be the St. Patrick's Day Parade, the club's hamfest, ARRL Field day or any other activity that's available, you will find it a rewarding experience.

**RAC BULLETIN 04-32E THIRD PARTY
COMMUNICATIONS REGARDING TSUNAMI
DISASTER AREAS**

Date: Wed, 29 Dec 2004 16:08:52 -0500

From: RAC-Bulletins from HQ

In the wake of the Tsunami/Earthquake Disaster, in response to questions from Canadian radio amateurs, Industry Canada has advised RAC as follows:

Canada has no objections to its licensed radio amateurs passing international communications on behalf of third parties in support of an emergency or disaster relief in the countries affected by the recent tsunami and earthquake, provided that the affected country allows its radio amateurs to carry on such a communication

This is in keeping with the recent "FINAL ACTS WRC-03 WORLD RADIOCOMMUNICATION CONFERENCE (GENEVA, 2003)" where paragraph 25.3

(2) states that "Amateur stations may be used for transmitting international communications on behalf of third parties only in case of emergencies or disaster relief. An administration may determine the applicability of this provision to amateur stations under its jurisdiction."

Under normal circumstances, Canadian radio amateurs must respect the third-party agreements and arrangements noted in Industry Canada's

Radiocommunication Information Circular RIC-3 - Issue 2, dated April 2002. Canada has concluded agreements or arrangements with the following countries to permit the transmission and reception of international communications by Canadian amateurs on behalf of third parties: Antigua and Barbuda, Australia, Bolivia, Chile, Colombia, Costa Rica, Dominica, Dominican Republic, El Salvador, Grenada, Guatemala, Guyana, Haiti, Honduras, Israel, Jamaica, Mexico, Nicaragua, Paraguay, Peru, Saint Vincent and the Grenadines, Trinidad and Tobago, United States of America, Uruguay, and Venezuela. Under normal circumstances radio amateurs in Canada are obliged to respect these agreements.

MAB STATION NEWS THANK-YOU

In December of 2004, The Radio Room at The Montreal Association for the Blind received a Pentium 466 Celeron Computer along with a 17" monitor from Vincent Smith VE2VLS, and Marco Baiocchi VE2MRN.

This computer is to replace an old 386 system that was used for logging and contesting. The new computer is much faster and has not only logging software but has a speech program which makes the system useful to blind and visually impaired patrons as-well-as to sighted persons who help out with logging during contests and other events.

Once again, we at the MAB Radio Room would like to take the time to thank Vincent and Marco, for this wonderful gift which makes Amateur Radio a true hobby for all.

MONTREAL AMATEUR RADIO CLUB DECEMBER HOLIDAY DINNER

Organizer John Grow, VE2EQL, centre, and two of the lucky winners of door prizes at the MARC holiday dinner held last December.

On Saturday, December 4th, the MARC held a Holiday Dinner at the Buffet Vichy Restaurant at 3500 Cote Vertu. Those who attended enjoyed the company of fellow radio amateurs as well as family and friends.

The event was well attended and we all enjoyed a fine buffet style meal as well and a humorous and interesting presentation by professor Graeme Decarie. The talk looked at the development and evolution of how the Montreal community came to support sports and sporting events in the different neighbourhoods.

A big thanks goes to John Grow for his initiative and work in making this event happen and making it the great success it was. Door prizes were from John Grow and Sheldon Harvey - Radio HF.
